Community Garden

Westside's Garden is underway!!

This week the garden area was roto-tilled for the second time, thanks to Bill Wilson. The planting is planned for end of May so Bruce wants to hear from anyone who would like to begin a tray of seeds to give us a head start when the soil is ready. Also, if you find a potato with eyes growing out of it when you are preparing supper we would love to have it for seeding the potato patch. **For further info, please contact Bruce Wills 705)737-5704 beatty68@bell.net**
